

SATURDAY STEAM:
FATHER'S DAY CARDS

EAGLE PUBLIC LIBRARY

Hi, everybody, and welcome to Saturday STEAM! I'm
Katy Tipton, a Librarian at [Eagle Public Library](#).

Since Father's Day is tomorrow, this week's
Saturday STEAM project is all about cool homemade
cards for the best guy in your life!

Since no two fathers are alike, we will be giving you several options so that you can find the perfect card that just screams, “Dad!” We will provide links to sites that have step-by-step tutorials, supply lists, and printable templates. When you’re done, please remember to [send us pictures!](#) We love seeing how creative you can get.

Our first card is a really cute 3-D turtle courtesy of Elizabeth from Frugal Mom Eh! (Elizabeth, 2017). If you have a “turtle-ly awesome” dad, this might be the card for you. Follow [this link](#) for instructions on how to make the card, and a printable template.

If your dad has a sweet tooth, then you might want to try making this tie card that is filled with candy! Just follow [this link](#) to find instructions and a supply list.

If your dad loves dad jokes, this watermelon card might be the right one for you! Follow [this link](#) for instructions, a supply list, and a printable template.

Is your dad Mr. Fix-It? Then here is the card for him! This foldable toolbox will impress both him and you with your craftiness. This one is a bit more difficult than our other cards, but we know you can do it! Instructions and the printable template are available at [this link](#).

Is your dad your hero? Then make him a card to show him what a “sub-stantial” one you think he is! Make this card by laying sandwich ingredients together for a cool 3D effect. Printable templates, instructions, and other cool card ideas are available at [this link](#).

Does your dad give the best hugs?
Let him know with this great
monster card, that features your
hands! This card is as
personalized as it gets - no two
monsters will ever be the same.
Follow [this link](#) for instructions
and a supply list. (Oh, and for
those who don't know, "sugar
paper" is construction paper.)

And, finally, for the fisherman in your life, here's a card featuring his favorite pastime! Layer craft foam, felt, and stickers to get a card that really pops. Follow [this link](#) for instructions and a supply list.

We tried a few of these templates out, and here are the results!

THANKS FOR PLAYING WITH US TODAY! WE'D LOVE TO SEE WHAT YOU COME UP WITH. YOU CAN POST IT TO THE EAGLE PUBLIC LIBRARY'S [FACEBOOK](#) PAGE, OR EMAIL IT TO US AT EAGLEPUBLICLIBRARY@CITYOFEAGLE.ORG. HAVE A GREAT DAY!
