

Toddler Time! How to Make a Hobby Horse

Supplies

- Horse head printed onto cardstock (click [here](#) for free horse printable)
- Scissors
- Glue
- Construction paper
- A cardboard tube
- Paper strips (with cuts for the horses mane)
- Eyes, stickers, pom poms, crayons etc to decorate

Toddler Time! How to Make a Hobby Horse

Instructions

- Cut out a horse head shape and decorate, or go straight onto cutting and sticking strips of paper for the horse's mane.
- Other ideas for decorating are: using paint, decorating with a selection of collage materials, or using a realistic color horse head and wool for a mane.
- *You might want to decorate both sides of your horses head.*
- Once dry, simply cut 2 slits into your cardboard tube at one end and slot your horses head on (glueing it in is optional).
