- Construction Paper (any color you want your dog to be)
- Pen
- Scissors
- Glue stick

Toddler Time! How to Make a Stretchy Sausage Dog

Instructions:

- Print out your Sausage Dog ([printout here](#)).
- Trace him onto construction paper, or just color him.
- Cut him out, then cut him in half in the middle.
- Accordion fold a second sheet of paper into his middle (make sure the second sheet is the same height as his middle).
- Glue the accordion middle onto your dog.
