DIY Bath Bomb

Dry Ingredients

1/2 cup baking soda

1/4 cup citric acid

1/4 cup Epsom salts

Wet Ingredients

1/2 tsp. water

1 tsp. essential oil

1.5 tsp. oil (olive oil)

1 drop food coloring (don't add too much or it could stain!)

A pink peony flower is in the top left corner. A white towel with a pink border is draped across the left side. Three pink and white striped bath bombs are in the bottom center. The background is a light-colored wooden surface.

Directions:

Measure and mix up the dry ingredients in a bowl.

Mix the wet ingredients in a spray bottle.

Add to the dry ingredients spray by spray.

Stop once the mixture holds its shape when squeezed into a ball.

Now pack the mixture into a plastic container.

You can add rose petals,
plastic figurines, or glitter. Pack it tightly together!

Let dry until completely solid.
