

Paint Pouring

Supplies:

- 3 or 4 colors of Acrylic Paint
- Elmer's Glue All
- Stretched Canvas - Any type of 8x10" canvas
- Wood Craft Sticks - The large sticks are easiest for mixing paint and glue.
- Pack of Plastic Beverage Cups - 9-ounce
- Pack of Disposable Gloves - To keep your hands clean as you paint
- Plastic Painting Drop Cloth or Garbage Bag - To cover your work area
- Apron - To protect your clothing from paint splashes or spills

Instructions:

- Mix 2 tsp paint, 2 tsp glue and a 1/2 tsp of water in cups, use the wooden stick to stir.
- Pour cups onto the canvas.
- Tilt the canvas, gently go back and forth.
- Continue until the canvas is completely covered.
- The canvas will take 3 days to fully dry.
