

Teen Night - How to Make Polymer Clay

Charms

Supplies

- Polymer clay (different colors)
- Dotting tool
- Cutting blade
- Needle tool
- Rolling pin*
- Eye pin
- Super glue

- Non-porous work surface (a file folder will work - just something the clay won't stick to)
- Oven**
- Baking sheet
- Aluminum Foil
- Needle nose pliers

*These items should not be used for food after working with the polymer clay.

**Make sure your space is well ventilated when you bake your charms - the plastic smell can be overwhelming.

There are lots of ways to create the perfect charm. Here are some websites to get you started.
