Toddler Time! - How to Make Monkey Snacks

Instructions:

1. Butter the bread (optional).
2. Place two apple slices on the side of the bread.
3. Put two tangerine segments facing each other near the bottom of the bread for the monkey's mouth.
4. Place a banana slice on either side of the tangerine slices for the eyes.
5. Put a raisin in the middle of each banana slice, and one on the top tangerine segment, for pupils and a nose.
6. Put three pretzel sticks at the top of the bread slice for hair.
