INSTRUCTIONS:

- **Make it WACKY! ;)**

Homemade playdough recipe:

- **2 cups all-purpose flour**
- **3/4 cup salt**
- **4 teaspoons cream of tartar**
- **2 cups lukewarm water**
- **2 Tablespoons of vegetable or coconut oil**
- **Food coloring, optional**
- **Quart sized bags**

Stir together flour, salt and cream of tartar in a large pot. Add the water and oil. Add in the color. Cook over medium heat, stirring constantly until the dough has thickened and begins to form into a ball. Remove from heat and allow to cool slightly. Knead until smooth. If you're adding multiple colors, divide the dough into balls (for how many colors you want) and add the dough into the quart sized bags. Start with about 5 drops of color and add more to brighten it. Knead the dough, while inside the bag, so it doesn't stain your hands. Once it's all mixed together you're ready to PLAY.

Store play dough in ziploc bags. Keeps for up to 3 months.
